Commissioner for Patents

The reply filed on 10/2/2006 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): There is confusion as to which claims have been elected. As set forth in the restriction requirement, the claims as submitted were mis-numbered, and were re-numbered under 37 C.F.R. §1. 1.126. Group IX as set forth in the restriction requirement consisted of claims 22, 29 and 30 *as numbered by the Examiner*. Applicants elect Group IX, but state that they are thereby electing claims 20, 28 and 29, which do not correspond to the Examiner's Group IX by *either* claim numbering. Applicants are required to clarify their election. For applicants convenience, a copy of the claims as renumbered by the Examiner is enclosed. See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. **EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).**

Att: copy of claims, dated 6/19/2006.
